TRUE ————— TO ————— YOU

Winter isn't just snow—it's self-expression. Whatever your passion, our outerwear moves with you. Stay **TRUE TO YOU**, on & off the mountain.

◆ FABRIC GLOSSARY

W O E-TEX_{PRO}

Recycled nylon plain weave with a slightly warmer natural touch and dull optic. Combined with solution dyed MICRO-GRID® backer made. Both the inner and outer fabrics are engineered to resist snags and abrasion, offering maximum protection in rugged conditions.

W O E-TEX_{CKNIT}

Very Lightweight, durably waterproof, and highly breathable. Built with a fine circular-knit backer, the fabric offers a softer, more natural feel for more next-to-skin comfort during intense and challenging activities.

W O E-TEX_{3LAYER}

Recycled nylon plain weave with a slightly warmer natural touch and dull optic. Combined with a solution dyed recycled tricot backer.

W O E-TEX_{2LAYER}

Recycled 2-layer fabric with a dull-face finish that is durably waterproof, highly breathable, totally windproof, and built for reliable comfort in all conditions.

30K

Ultra-high waterproofing and breathability for storm-ready performance.

20K

Dependable waterproofing for riders who charge in variable conditions.

10K

Everyday protection against snow and unexpected weather.

KOA TDS INF GORE JKT

Designed for touring and backcountry adventures, this jacket is ideal for users who value lightweight breathability and versatile layering options for various conditions

- **BREATHABILITY:** Gore-Tex 3L Recycled Nylon is designed to keep you dry from the inside out, allowing water vapor to escape during high output activity.
- **MOBILITY:** Gusseted underarm, and articulated sleeves for full mobility on steep terrain.
- **LAYERING:** 3L construction is lightweight and versatile. Layer to your preference and adapt to changing conditions.
- **BACKPACK COMPATIBILITY:** Pocket and vent layout designed to be backpack compatible.

YOUTH

FUTURE OF FUNCTION

VOLCOM YOUTH OUTERWEAR TECHNOLOGY

Make Falling Enjoyable! Keep Snow Out! Zip your **JACKET** to your **PANTS**.

All of Volcom's Youth Outerwear Jackets include a **PASS POCKET** in the arm to safely stash a pass while riding.

All of Volcom's Youth Outerwear Hoods are designed to be compatible to wear over a helmet.

Volcom's "**GROW TECH**" allows you to add length to your garment, so you can grow with your garment! Applied to the jacket sleeves and the pant legs is a **red basting stitch** that can easily be removed from the lining to release the garment to get longer.

CHAOS INS JKT

Made for the trend setter, the Chaos Full Zip has an oversized fit and streetwear styling that makes it comfortable for any rider to wear. With corresponding bottoms, this kit keeps it cool and comfy.
